

## Mayacama COVID-19 Protocols

### Social Distance Check In

When you arrive for your check in, our guest services staff will be greeting you in the roundabout to direct you to your residence. Upon arrival, you will receive a welcome folder that will include your keys, menus, maps and other information to help during your stay.

### Housekeeping

Housekeeping can only be done when the residence is empty. When in a 3-Bedroom we can clean if you are in the opposite side of the residence. Please let us know when you will be vacating the residence so we can send our team to clean. For stays exceeding 5 days, please designate the best day to do your “Mid-stay” clean. Also, the turndown service has been eliminated for your safety.

### Spa

At this time our Spa remains closed. We are currently focusing our efforts on other experiences that Members enjoy and anticipate reopening our Spa next Spring if things continue to improve.

### Tennis

To book a tennis court please contact the concierge at (707)569-2900 or [concierge@mayacama.com](mailto:concierge@mayacama.com). Courts may only be reserved up to seven days in advance.
