

Bar & Grill Remodel to Begin January 4th

Construction on our highly anticipated Bar & Grill remodel will **begin on Wednesday, January 4th, 2023**. Expanding the bar area to create a more open concept has been a goal of ours for many years and we are thrilled to provide our Members with an elevated Bar & Grill experience once complete. During the remodel, we will continue to be open without disruptions for all Food & Beverage services. We hope you will enjoy the temporary Bar & Grill location in the Mayacama Living Room.

Please note: The Clubhouse will not be accessible from the Locker Room or patio areas during construction.
