

MAYACAMA

April *connection* events

MESSAGE FROM - Greg Brown, General Manager

Spring is one of the best times of the year to enjoy all that Mayacama has to offer. The views of the lush, grassy hills are as beautiful as ever and our weather has been outstanding. Most of you know how wonderful the course looks and plays this time of year, so what are you waiting for? It's time to drop everything and get away to Mayacama! We've already hosted some terrific events this year such as Valentine's Day Dinner, the Kosta-Browne Winemaker Dinner, and the Grand Reopening of the Club's Dining Room. We enjoyed a sold out evening with reservations booked through 9 pm on opening night! In case you haven't heard, Chef Scott Pikey is the real deal, so be sure to make reservations and visit the Dining Room soon.

Easter is this weekend and brunch is being served from 1 - 4 pm, on Sunday, March 23rd. This is also Kids' Weekend so be sure to call Concierge to sign up your children. Our Activities Director, Denise Kegerreis, has planned numerous springtime activities: a field trip to Blossom Hill Farms on Saturday, and the Easter Egg Hunt on Sunday. In preparation for Camp Mayacama, we are planning to send all Mayacama "juniors" a surprise in the mail. We don't want to miss any kids in our mailing so please be sure to update your children's membership information with Claire Wolf, our Director of Membership.

The Fourth Annual All Vintner Pour is being held this year on Saturday, April 12, 2008. This is a great opportunity to meet our Vintner Members, their Wine Makers, and taste their limited production wines. Bring your guests and enjoy food pairings, live music, and a fun reunion with fellow Members. This year we will provide you with the option of placing orders from selected Vintners at the best price in the marketplace. Cost to attend is \$75 plus tax for Members and guests. For a different twist, we will then host a "Pick Up Party" two weeks later on Saturday, April 26, 2008. That will also make for a great day at the Club! Please make reservations for the All Vintner Pour by calling Concierge at 707 569 2900.

Have a great month and we hope to see you soon at the Club!

SPRING AERIFICATION

April 7 - 11

By Dale Engman, Golf Course Superintendent

It is time, once again, for us to open up the golf course and let it breathe. That's right, spring aerification will soon be here. After the long winter months of short days and wet weather, spring aerification is vitally important to maintaining the course in the condition we do throughout the summer. The process of punching holes literally opens up channels for oxygen to make it's way down to the roots and allows the grass plants to take in this very important element that is sometimes difficult to obtain during the wet winter months.

Please take note of the dates:

April 7 – 9 front nine closed, back nine open

April 10 -11 back nine closed, front nine open

April 12 entire course reopens
